Merry Christmas romance movie

she acts like she's never seen muscles before	learns the true meaning of giving	hot chocolate	I really like her but can't have her	I was wrong you're the one I want
second chance romance	he literally catches her/ she falls for him	the interrupted almost kiss	unnecessarily noble/ makes the sacrifice	Santa is real
invent a drink for the big party	has to save X for mom and pop		you have something on your face	serious conversation while walking in the snow
reference to ANY Christmas romance movie	snow ball fight	holiday names	secondary character is a caricature	believes in Christmas again
baking or eating contest	why is there an animal there?	jammy pants/ sweats barely clinging to hips	he brushes her hair from the side of her face/ hooks behind ear	OMG seek therapy
